New Groups Starting!

Big-n-Littles

This is a group for Mom's and kids (or Grandmoms and kids) to get together and knit or crochet. We'll be meeting on Thursdays from 4:00-5:00, only an hour for those shorter attention spans (and for the kids too)! This is not a knitting class. If you want to learn to knit we can design a beginning knitting class for you and your child.

Come have fun with us!

(re)Tired Apples

No more pencils, no more books. No more students dirty looks! If you are a retired teacher or school employee this group is for you. You just might be surprised at how many retired teachers are learning to knit!

It doesn't matter if you are a beginner or an experienced knitter, this group is bound to be fun! We will be meeting on Friday mornings from 10:00 until noon, so bring your knitting or crocheting and come join us for a cup of coffee and a good time!

Sheep Knitting Contest

Ok, first of all, this is not a contest to see how well your sheep can knit!

In every newsletter we will be introducing a new knitting contest. We will post pictures of the submissions on the website and you will be able to vote on which one should be the winner.

You may do this by either emailing me your vote or by coming into the store to vote. The winner will receive a \$10.00 gift certificate to Knits-n-Knacks.

This month's contest is to knit the cutest, ugliest, or funniest sheep. It can be in any shape or form you would like. All submissions must be in to the store by February 28th and then let the judging begin! You may submit your votes until March 15th. The winner will be announced on our website and in the Spring newsletter.

Movie Night Knit-in

We would like to invite you to join us for our first ever movie night knit-in. (Don't worry, we won't be here ALL night!) We will be watching old movies (I'll have several to choose from), knitting, and eating popcorn! Yumm!

Be here Friday evening, January 21, from 6:00 until ?????

We'll order in pizza for supper too. Should be lots of fun!

Purl & Prayers Shawl Knitting

All those interested in knitting prayer shawls, for your church or individually, are welcome to come on the 1st and 3rd Tuesdays each month, from 4:00-5:30. Knitters of all levels are welcome and may purchase any needed materials at the shop. Prayer booklets, a simple pattern, and printed prayers to enclose with the shawls will be provided by Trinity Lutheran Church. These sessions will begin Feb. 1. Come as often as you are able.

Project of the Month

Every month we will be showcasing a different project made by our knitters. Because of the blustery weather outside, our first project will be hats! You may choose any pattern you like. Your submission must be made from yarn purchased at Knits-n-Knacks and must include a pattern that can be legally copied to share with others.

Submissions must be in by the end of the month and will be displayed here in the store as well as online for the following month.

Check out our website to see what the project for the next month will be.

Procrastinators Anonymous

You know who you are. (So do we, but we're not telling). Bring out those projects you've been putting off finishing and make real progress on them! Saturday, February, 19th and March 19th from 10:00-4:00. Bring a finger food to share and BE HERE!

Design Your Own Class

We try to offer a variety of classes at a variety of times but we know that sometimes your schedule just won't work with ours. Maybe we're not offering the class you were hoping for. Just give us a call and we'll figure out just what you need and work out a time and date that works for both of us.

Open Knitting **Every Wednesday afternoon or Thursday morning**

Come join us on Wednesday afternoons or Thursday mornings to just sit and knit (or crochet), have a cup of coffee, and generally just have a good time. Our open knitting is free and fun for all!

Wrap-me-up Knit Along **Wednesday Afternoons in February and March**

Join us to knit a scarf or a shawl knitted mosaic style with the yarn or yarns you like. We'll work it out together, swap yarn, and get creative together. This is a free group but we do ask that you purchase your yarn for the project here at the shop. When we finish, we'll display the finished projects in the shop and on the shop's website. Let's see what a variety we can come up with.
